Symantec awards Arcplace 'Climbing Partner of the Year'

A strong reputation for expertise in Enterprise Vault archiving projects secures Arcplace a spot among the award winning Symantec partners.

Zurich, June 12th, 2008

For the sixth year Symantec (Switzerland) AG awards their best Swiss partners. Arcplace AG was named as 'Climbing Partner of the Year'. Arcplace offers professional and on-demand services for e-mail, file and document archiving, automated invoicing and scanning.

The award 'Climbing Partner of the Year' is given to new partner companies who managed to achieve a great deal in the short time frame of the partnership. A Symantec partner since 2006 Arcplace has continued to intensify the cooperation with Symantec. Today Arcplace is known as a specialist in Enterprise Vault archiving.

By working with Arcplace and Symantec's archiving solution Enterprise Vault, enterprises benefit from:

- A state-of-the-art integrated archiving platform for Emails, Files, SharePoint and more
- An archiving solution that can be deployed in-house or as a fully managed on-demand service
- A robust and proven archiving solution that has been a market leader for five years in a row, according to the Gartner Magic quadrant for email archiving

"We are very pleased we could prove our Enterprise Vault archiving expertise in so many projects already", said Robbert Spierings, Managing Director, Arcplace. "As specialists in digital archiving, the Symantec Enterprise Vault product has become a key component of the Arcplace solutions portfolio."
